**4** Explain in detail why you need vehicle/vessel information. Give examples. Attach additional pages if necessary.

Idaho Division of Motor Vehicles process title applications for vehicle owners, many come from out of state, some have questionable ownership documents, or title brands, odometer readings, DMV researches records from other states to ensure proper chain of ownership or brands prior to issuing an Idaho Certificate of Ownership, (title). DMV is also responsible for licensing dealerships and salesman, for which we enforce compliance, through auditing, investigation of consumer complaints, odometer issues.

Idaho DMV also provides title and registration records free of charge to other state DMVs for the same purposes listed above, to ensure accurate information on titles prior to issuance of title certificates.

**5** Redisclosure and/or selling of information

Will you sell or provide the information to anyone else? ..... ☐ Sell ☐ Provide ☒ No

If no, skip to Section 6.

If yes, who will you provide or sell the information?

The release and redisclosure of personal information is restricted by state and federal laws. How do you ensure recipients are entitled to personal information under these laws?

How will you provide the information to recipients? Explain.

**6** Owner contact

Will you contact the vehicle/vessel owner? ..... ☒ Yes ☐ No

This happens on occasion when release of interest in a vehicle occurs, where the bill of sale, or previous physical titles are not in the possession of the person applying for title. This ensures the vehicle has been sold, not stolen, and gives DMV the ability for proper chain of ownership, requiring previous owners who haven't titled as required to pay title fees, and state taxes as required by Idaho law. Investigators also audit Idaho dealers to ensure records are present, and accurate and comply with Idaho's laws.

#### WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 6a. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Based on the information received from you or your representative, you must file the following form(s) by the date(s) shown.

Form 941  
Form 940

10/31/2015  
01/31/2016

If you have questions about the form(s) or the due date(s) shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

If you are required to deposit for employment taxes (Forms 941, 943, 940, 944, 945, CT-1, or 1042), excise taxes (Form 720), or income taxes (Form 1120), you will receive a Welcome Package shortly, which includes instructions for making your deposits electronically through the Electronic Federal Tax Payment System (EFTPS). A Personal Identification Number (PIN) for EFTPS will also be sent to you under separate cover. Please activate the PIN once you receive it, even if you have requested the services of a tax professional or representative. For more information about EFTPS, refer to Publication 966, *Electronic Choices to Pay All Your Federal Taxes*. If you need to make a deposit immediately, you will need to make arrangements with your Financial Institution to complete a wire transfer.

Each data broker or reseller must:

- Maintain a legible Subscriber Roster and complete all fields
- Record all subscribers
- Document the specific permissible use each subscriber qualifies
- Retain Subscriber Roster for 6 years and provide to DOL when requested

Your contract and/or IVIPS access may be terminated if you do not maintain a complete and legible Subscriber Roster.

**NOTE:** When a subscriber gives information to an attorney or private investigator, a notification letter must be sent. Failure to send a notification letter is a violation of your contract and Washington State laws. A sample notification letter is at <https://fortress.wa.gov/dol/ivipsprod/>.

In the *Subscriber's permissible use* box, provide a specific description of why the subscriber needs access to personal information. For example, "information is used in the processing of insurance claims investigations." A vague answer, such as, "check who owns the vehicle," is unacceptable.

## Subscriber Roster (Data brokers/resellers applying for IVIPS must complete this section)

Each data broker or reseller must:

- Maintain a legible Subscriber Roster and complete all fields
- Record all subscribers
- Document the specific permissible use each subscriber qualifies
- Retain Subscriber Roster for 6 years and provide to DOL when requested

Your contract and/or IVIPS access may be terminated if you do not maintain a complete and legible Subscriber Roster.

**NOTE:** When a subscriber gives information to an attorney or private investigator, a notification letter must be sent. Failure to send a notification letter is a violation of your contract and Washington State laws. A sample notification letter is at <https://fortress.wa.gov/dol/ivipsprod/>.

In the *Subscriber's permissible use* box, provide a specific description of why the subscriber needs access to personal information. For example, "information is used in the processing of insurance claims investigations." A vague answer, such as, "check who owns the vehicle," is unacceptable.

**4** Explain in detail why you need vehicle/vessel information. Give examples. Attach additional pages if necessary.

If parties to a transaction cannot locate an original title for a vehicle/vessel that is to be transferred at closing, we need to verify the registered/legal owners are in fact our parties prior to proceeding with closing and using the lost title affidavit forms.

Example: Mr. Brown owns real property and is selling it including a manufactured home which is on the real property. Mr. Brown does not have the title. We would search to verify Mr. Brown owns the home prior to allowing him to sign transfer documents.

**5** Redislosure and/or selling of information

Will you sell or provide the information to anyone else? ..... ☐ Sell ☒ Provide ☐ No

If no, skip to Section 6.

If yes, who will you provide or sell the information?

Real property owner. Information would only be provided to a real property owner in the case that they are not in fact also the personal property owner.

Example: From above, if Mr. Brown is not the owner of the manufactured home that sits on his real property, we would provide him with the name of the owner.

The release and redislosure of personal information is restricted by state and federal laws. How do you ensure recipients are entitled to personal information under these laws?

Our company is in compliance with Best Practices and complies with all legal requirements regarding privacy and personal information. Information will only be provided to owners and/or owners of real property affected by a manufactured home on their property.

How will you provide the information to recipients? Explain.

We will provide the recipients with copies of all documents we obtain during our search of public records.

**6** Owner contact

Will you contact the vehicle/vessel owner? ..... ☒ Yes ☐ No

*Unsolicited business contact for commercial purposes is strictly prohibited.*

If yes, why will you contact the owner and how will you contact them?

If the owner is our client we will be in contact with them prior to this request. If owner is not our client, we will not contact them.
